Please note the changes in the ride schedule

Hello and Welcome to April. We hopefully will start getting better weather so we can all get our bikes out and start doing some serious riding.

Here's an update on our Association. We are now at 2691 Households, 4705 members with more joining daily. This is good for all of us as the more members we have the more fun we will have. As your out and about make sure to talk to all motorcycle riders and invite them to join us on this new journey.

Eagle Wings Rendezvous is now scheduled for August 31st, September 1st & 2nd in Knoxville, Tennessee. This is going to be a good time and we are looking forward to meeting and seeing all of you soon. The Registration should be out shortly so keep a watch on your emails as we will send it to all of you as we receive it.

We do have a pretty full schedule and are looking forward to all the rides and events. Again keep an eye on your emails as things are subject to change daily and we don't want you to miss anything.

Thank you Kevin Griggs for keeping all of us updated on upcoming rides and events.

Talking about Kevin be sure to join him for our April get together as Becky and I will be coming home from our Grandsons graduation from Marine Corp Basic Training in Beaufort, South Carolina. Kevin always does a great job and you never know what he's going to come up with. Always entertaining and informative.

Be sure to come out and get yourself and your bike blessed on April 16 at Mechanicsburg United Methodist Church.

Be safe and we will see you on the road again.

Ride/Safety Director
Kevin & LeAnn Griggs

Happy April Chapter F,

We are about to kick off the official 2023 Riding Season. The chapter's goal is to provide an agenda of fun events and enjoyable places to ride our steel horses. Another goal of the chapter and the EWMA organization is to keep our members safe and protected while doing it. That protection comes in the form of practicing safe group riding, keeping members trained and informed on basic life support and rescue, as well as seeking out spiritual blessing for a safe riding season.

Thinking about our annual blessing of the bikes. I thought I might look up the history of "Blessing Motorcycles." Sharing when the very first Bike Blessing took place was the target of my internet search. The results revealed numerous claims to being "The" first bike blessing. Starting with St. Johns Cathedral in New York City back in 1999. Then I scrolled down a bit and found that St. Annes claims to be the first in Baldwin, Michigan in 1972.

Then I thought to myself, self I said, I believe that I actually was in attendance of the "first" blessing of the bikes. It took place in 1964 in a little housing development called Northridge, just outside of Springfield, Ohio. I was a member of bike group that road both off and on road back then. I distinctly remember a voice saying, "Lord please don't let these kids kill themselves on these tricycles!" Yep, the "first" blessing of the bikes was performed by my mother in 1964.....lol

We will start our riding season with a "Blessing of the Bikes". That will take place on Sunday, April 16th at Mechanicsburg United Methodist Church. We will start by meeting at the Glydewell's house at 9 a.m. 555 W. Possum Rd., Springfield, Ohio. The church services start at 10:30 a.m. If you cannot make the church service but want to get your bike blessed, show up at the church parking lot. It will be the one with a lot of motorcycles parked together...lol in Mechanicsburg at 50 N. Main St around 11:15 a.m. Rev. Mimi Ault will come out after the service to bless us and all of our bikes for a safe riding season.

Hope to see ya all there!

EWMA Chapter F FUN times!
