Well, well, well here we are already into December. Where did the year go?? We do hope everyone enjoyed their Thanksgiving and didn't eat way to much. I have to say I did pretty good this year and pushed away from the table sooner than normal. Then watched football and napped!! LOL!

The year isn't over just yet as we have our Christmas party coming up Sunday December 3rd. If you signed up and prepaid, it is going to be a fun time to be together. We will be doing the gift exchange again this year. If you would like to participate bring a gift for a male or female cost being around \$10.00. This is always a good time and a whole lot of fun. Also we are going to indulge ourselves with good food and desserts. Becky and I are looking forward to seeing all of you there.

We will be shopping for our seniors December 16 and delivering the 17th. Watch your emails for the details. Always fun and rewarding!

It has been an amazing year for us and our Chapter and we would like to say Thank you again to all of our members. We are looking forward to 2024 that will be filled with more fun, rides, events and get togethers. You should have already received a copy of our ride schedule for next year and we hope there is plenty on there to keep you busy.

If there is something that didn't make the ride schedule let us know because I do believe that we have plenty of open dates to do some impromptu rides. Together lets make 2024 better than 2023.

Ride Safe and continue the FUN!!

This is our Region!! Region F consists of these six districts (states). We want all of us to form a great big family!! But not just limited to Region F, there are 44 more states to have fun with!!

Happy December Chapter F

LeAnn & I would like to take this time to wish all of you a very Merry Christmas and a Happy 2024. Our lives have been so enriched by the members of this chapter and organization. We have enjoyed all the Get-Togethers, parties, Rallies, and travels with you. Being a member of this group has expanded the riding time and distances further than we would have ever considered on our own. There is great comfort knowing when we are traveling, that we are surrounded by friends that care about us. The thought of the unexpected is much less scary knowing we are part of a group that would not leave us hanging.

I am writing this article 2 days before Thanksgiving, cause you know, I have an editor that is a task master. I mean I am writing this thinking what all I am grateful for at Thanksgiving.

I am grateful for all of you! And the newsletter editor too! You know I love ya Becky....lol

Kevin & LeAnn Griggs

(I love you too!!)
