Hello and happy October. Wow where has the year gone? I guess what they say is so true, time flies when your having fun and we have been staying very busy with fun stuff.

You all know that we can't say Thank you enough to everyone that has stepped up and led rides for our Chapter this year. This is a great example of folks doing what we love. The rides and activities this year has been over the top and we look to do even better next year. Our ride meeting is coming up and everyone is invited to attend. If you can't be at the meeting let us know what you would like to do, see or go. We need all of you to be involved so our Chapter can continue to grow.

Did you go to the Rendezvous this year?? If not you missed an incredible fun time. If you weren't able to attend this year now is the time to start planning for next year. If you haven't already heard we are going to Ft. Smith, Arkansas for Rendezvous #3, and rumor has it that Wayne and Cathi Hughes already have a route planned to get us there with little to no Interstate highways. Go ahead and get online and get your reservations made for this fun event as well as your lodging. No need to wait, come with us to Arkansas and enjoy the fun.

More information that we want to pass along is about your membership. If you need to renew and would like to save some money now is the time to go online at ewma-world.org. If you renew before the end of this year you can save on your membership fee. On January 1st, the fee for an Individual will go from \$25 to \$35 a year and the Family membership will go from \$30 to \$40 a year. You can renew up to three years at the current cost if you do it before December 31st, so jump online and save some cash.

Just a reminder that our October get together is our Craft and Bake sale. Looking forward to what all you bakers and crafty people will come up with for this sale. The proceeds will help keep the chapter moving forward. Thank you all for your continued support.

As you continue reading the newsletter you will find the 2025 registration for Cabin Fever. This is always a fun event and we hope that all of you plan on joining us as we come together at Deer Creek Lodge for a really good time.

Ok folks this is a reminder that we all need to recruit so not only will Eagle Wings Motorcycle Association grow but also our Chapter. Also a reminder in case you may have forgotten Eagle Wings is having a little recruiting contest that could be good for all of us to win. Retro active back to the beginning of the year through the end of this year, if you are the top recruiter, you will win three years free membership, second place will win two years free membership and third place will win one year free membership. Recruiting is easy and wouldn't it be nice to capitalize on one of these three gifts. Also it would be awesome if a Chapter F member were to win. If you need handle bar hangers, tri folds or business cards let us know.

Looking ahead a bit, the Wallace's chili dump is November 2 at their home, the Fall Informational meeting is November 9 at Der Dutchman, Belleville, Ohio. Don't forget, if you want to be a contestant in the Logo Contest for Buckeye Rally, the logos must be turned in before the Informational meeting. The theme for your artistic talent is 'Down on the Farm'.

At the November get-together we are asking you to donate to the Seniors. If you are able, please bring a 4 or 6 pack of toilet paper and you will receive an extra door prize ticket!! Thank you.

We will see all of you soon. Be careful and stay safe.

Make plans to join us as the FUN continues!!

Thank you Chapter F and we will see you on the road.

Stay safe and have FUN!!

Happy October Chapter F

It has been a big September for me and LeAnn this year. We have had a wonderful time going on rides and vacations with the Chapter and the EWMA group this summer. Fall has brought in more change for my family than just the season or weather. After 46 years of working at our local hospital, I have decided to hang up the old stethoscope. I am writing this article on my first official day of not going into work and not getting paid PTO. That sounds both exciting and scary to me at the same time....lol.

I have worked full time without time off that was not considered PTO all my adult life. Now I am my own boss (which sounds great) but also on my own when it comes to having income to pay the bills and live on. LeAnn, my wife and CFO, has done a great job of preparing us for this time. She kept us focused on paying off our debt and living within our means. This along with putting back money, no matter how much I whimpered and begged for things that did not make the priority list.

What did make the priority list was being a part of a group that shared our love for motorcycling. This allowed up much needed socializing and as a bonus learning opportunities on what is needed for safe riding and traveling on our motorcycle.

I guess my whole point is to say, love you all! I enjoy my time with you and look forward to doing more in our retirement.
