Hello and welcome to February. We hope that all of you had a great New Year and are gearing up for what we feel is going to be a great 2026. As I am writing this article the weather folks are talking about all the snow we may or may not be getting. This is something I saw and thought wow how true is this? Snow possible. Anywhere from 1 to 150 inches. Maybe. Could start at 4,5,6,7,8 o'clock. Maybe today or maybe not. Possibly none.

One thing for sure is we will eventually get the bikes out and begin to enjoy what we all love doing. While we wait for Mother Nature to finish with all her madness now is a great time to make sure your bikes, trailer's and camper's are ready to go. Also while you are getting ready for a great riding season why not check your expiration dates on your Eagle Wings membership as well as your drivers license. Not sure about you but during a conversation I discovered that I need to renew my drivers license before March but if something hadn't been said during that conversation I'm pretty sure I wouldn't have thought about it and would have expired and what a pain that would have been, so take a moment and check your dates.

As you are reading this Cabin Fever 2026 is in the books. If you were able to attend we hope you had a great time and we say a huge Thank you to the District Team for a job well done. This event is the beginning of many fun events and rallies that Chapter F is going to be attending and we hope your attending with us.

Rendezvous #4 is getting closer everyday and our question is how many of you are going? How many of you have Registered? For those that answered no, what are you waiting for? You can go online at EWMA-world.org and be registered in seconds or you can print the registration found a little further in our newsletter.

Rendezvous #4 is going to be a great time and we are for sure going to get to see friends we only really see this time of year not to mention the new friends we will have the opportunity to meet while attending. If you haven't had the chance to attend the Rendezvous in the past because of work and distance this could be your year. Approximately 237 miles from Cleveland to Sharonville, Approximately 189 miles from Toledo, Ohio to Sharonville, Ohio, Approximately 210 miles from Marietta, Ohio to Sharonville, Ohio, Approximately 154 miles from Gallipolis, Ohio to Sharonville, Ohio. Yes these miles are approximate depending on what route you choose but you kind of get a good idea that this year you only need a few days to attend the Rendezvous not weeks. Hopefully you will join us and bring a friend so they can have as much fun as all of us that will be there. We look forward to having you at one of our monthly get togethers or one of the many rides or events that we have on our ride schedule. Let's all have a great 2026 together!!!

See you out and about. Be safe!!!

This is our Region!! Region F consists of these six districts (states). We want all of us to form a great big family!! But not just limited to Region F, there are 44 more states to have fun with!!

## Hello Chapter F!

Happy February to everyone! As I write this just before Cabin Fever, I'm reminded of how quickly this year is moving—our editor keeps us on our toes with deadlines, and it's always a lively time. I hope each of you enjoyed a wonderful New Year's celebration and that 2026 is off to a strong start.

We're all looking forward to gathering at Deer Creek for Cabin Fever this year. According to the agenda from our State Directors, Darrin & JJ, we can expect non-stop laughter, games, and great company. Highlights include a spirited game of "Family Feud" in honor of our Hatfield & McCoys theme—plus a showing of the movie to refresh everyone's memory about the legendary feud. On a lighter note, join us for euchre and baseball cornhole, guaranteed to keep the friendly competition going strong. A real crowd favorite is JJ's creative Escape Room experience, with Darrin lending his unique touch as well.

Here's a quick overview of Cabin Fever:

- Cabin Fever at Deer Creek: January 29, 30 & 31st.
- "Family Feud" game and Hatfield & McCoys theme activities
- Movie night
- Euchre and baseball cornhole
- Escape Room designed by JJ and Darrin

Hope you did not miss out on the fun—be sure to join us for upcoming events! If you have ideas for future activities or questions about the schedule, we'd love to hear from you.

We hope you made it to Cabin Fever, and perhaps on the Wingers & Waves cruise later in February. These events offer a wonderful opportunity to connect, share laughter, and create lasting memories. We can't wait to make more great memories together this year.

Wishing everyone a Happy Valentine's Day and a warm as possible February!

Best regards,

*Kevin & LeAnn Griggs* Safety Ride Coordinator

Hope you all enjoyed the History article of Motorcycling, now we go for the fun stuff.

Ladies, let me tell you that if your spouse or boyfriend has been riding motorcycles since he was 10 yrs old it's in his blood and never ask him to choose between the bike or you.

My Fonz has been riding since he was 10yrs old and asked me to marry him and he didn't have a bike at the time so I didn't realize it could be a problem; little did I know.

We had one car and he said we need a bike, I said we can't afford it and it wasn't needed. This went on for 2 yrs and I won the argument. I got Pregnant with our first child, so the bike was forgotten, so I thought. 4 years later it came up again now that our son was going on 5, we could get a bike. Again, I solved the problem I got pregnant again. Now I had given him a son, and a daughter and you would think that was enough but he still mentions wanting a bike.

I said the four of us won't fit on the bike we needed a second car being practical. and I wasn't going to get pregnant again. So, I came home from the grocery store while he watched the kids, raised garage door and THEN IT HAPPENED!! Not a new but a used 750cc Suzuki was in the garage, I asked how and he said it followed him home and that it would be cheaper than a car no worries.

He asked me to go riding with him several times and told him, 4 can't ride on the bike and what would I do with the 2 kids. He suggested a babysitter, I said nope and so he would go riding by himself. I didn't think he would give up easily so I was waiting for the next idea of his to happen.

He brought home a babysitter from across the street; with his smiling face he asked me to go for a ride. THEN IT HAPPENED, he used the "F" \_\_\_ word. Now get your mind out of gutter his is a clean article it was the FOOD word knowing I would go anywhere and even on a bike to eat at Cracker Barrel. I was thinking Springfield or Centerville would be a short 15-mile ride. I should have asked as I didn't know that he planned for the INDIANA STATE Cracker Barrel.

He looked at my shorts, sandals and tank top and asked if that is what I was wearing. I looked at his jeans, work boots and long sleeve shirt and said if I have to change forget it. No, you're fine! Knowing you can't tell a woman anything she has to sometime learn the hard way. So, we put on the helmets that came with the bike that looked like half-moon salad bowls and headed out to Indiana. .... to be continued
