Here we are, another month! It's moving pretty fast! Wishing all the Father's a very Happy Father's Day! Enjoy your special day!!

As you know, we postponed the Trek ride to the Merry-go-round Museum, but no worries, we will have a day where we can do this later! Hoping the weather will be more cooperative. Be sure to watch your emails for alerts and any changes.

Hard to believe we are headed into June but here we are and here we go. Becky and I went to the Michiana Rally as did quite a few members from Ohio and Chapter F. Tim & Pam Hanson and Chris and Winona Drake put together a very nice rally where I believe all that attended had a great time. I know we saw a lot of smiling faces when it was over and that's always a good sign of a job well done.

Now that it is June it is time to get ready for the Buckeye rally and all the fun that's going to be going on in Urbana, Ohio at the Champaign County Fairgrounds. If you haven't registered yet it is not to late. Darrin, JJ and their entire team are looking for all of you to join them in Urbana for another great rally with friends and family. Oh and don't forget the Thursday night Dinner ride to The Farmers Daughter. Oh yea it's going to be a great time.

We also hope you are looking forward to going to the Virginia Rally, in August and of course, the fourth annual Rendezvous in Sharonville, Ohio in September!! There are two dinners at Rendezvous, Thursday and Saturday, be sure to sign up for one or both. Did you know you can preregister for any and all the rides at Rendezvous? Take a look on ewmw-world.org. This really helps the ride planners with leaders and tail gunners. Make your plans now and get registered. All of these registrations are in this newsletter. While you are on the ewma-world.org website, please read and use all the benefits offered to you as a member. The OTF publication is done for your enjoyment, please take a look at that also. If you have a story for the OTF, please send it and pictures of your adventure to Clara at ewma-editor@ewma-world.org.

Becky and I would like to say Thank you to our Chapter members for your support and contributions in helping with the beautification of the Fairborn Senior Center. To the folks that helped with pulling weeds, trimming trees and bushes and planting the flowers Thank you for your hard work. Chapter F you never cease to amaze us with your kindness and dedication.

Stay safe and have Fun! Lloyd and Becky

This is our Region!! Region F consists of these six districts (states). We want all of us to form a great big family!! But not just limited to Region F, there are 44 more states to have fun with!!

Safety Ride Coordinator
Kevin & LeAnn Griggs

Hello Chapter F!

Happy June!

As planned, during the first week of May we traveled to Lynchburg, Virginia to have our cargo trailer refreshed at CSC Manufacturing. Visiting the plant was a great experience, and the ride down and back turned into its own little adventure. Once the sun warmed things up, we had beautiful weather for the trip.

On our second day, our Escapade got its makeover. Meeting the CSC owner and employees was truly enlightening. We learned more about the history of California Side Car and discovered that the trailers have been assembled by women since at least 2003. We had the pleasure of meeting Ada Thompson, who started that same year. She inspected our trailer, disassembled it, and replaced the tires, wheel bearings, suspension, light bar, and lid gasket — all in the first half of her day. She worked on Lloyd's trailer during the second half, bouncing back and forth between the two to keep both projects moving.

While Ada worked her magic, Lloyd, Becky, LeAnn, and I took off to ride the Blue Ridge Parkway. What a beautiful ride. Smooth roads, sweeping curves, and scenery that could make your jaw drop.

Last week we took the trikes to Fairfield Honda for service so they're ready for our "Out West" trip in June. They should be finished this week — just in time for us to hit the road again. Next month's article will feature our Wild West adventure. While we're gone, we hope you all enjoy the dessert ride on June 4th, the Carriage Inn/Piatt Castle ride on June 13th (both led by Bob & Janice) and then the Buckeye Rally June 18-20th!

Best regards,

Kevin & LeAnn Griggs Safety Ride Coordinator

Hello, Guys took off like kids in a candy shop checking out the bike accessories and gear. The women were slow and shopped together closely in a huddle kinda afraid to be separated in this strange so-called biker flea market.

Our tables had piercing, places for tattoos, t shirts, vests, boots and rain gear with naughty pins and stickers we wouldn't be caught dead wearing.

The ladies noticed that the biker gals were wearing lots of leather goods, so I bravely went to one and asked about her outfit. She explained to us Leather pants and chaps as well as jackets were safety issues and protection should you ever lay the bike down.

We all shuttered at the fact we never once considered laying a bike down and now that it was brought to our attention we decided to rethink our dress code.

I love horses and cowgirl stuff and the fringe britches she was wearing looked comfortable and kinda cool. The other girls looked at the leather pants and special jeans. One thing I didn't know is the so called chaps thing doesn't have sizes or slip on like the other girls pants outfits.

I learned very fast to my surprise that trying land. I was at a table with all these fringe when a deep voice from behind me said " around and saw this covered in tattoos and guy with no shirt on just an open vest hairy hand him the chaps I had in my hands. He

on stuff at biker land was different than mall chaps and was pulling them up to look at them Need Help" Well I didn't think I did until I turned piercings, a 6 ft plus tall long hair and bearded chest giant in front of me. All I could do was said let's see if they are the right fit little lady.

THEN IT HAPPENED!! He reached about my body, pulled the belt forward and buckled it pushing my face into his hairy chest. Oh My Lord what have I got myself into I thought. Then he grabbed my left thigh with his hands which I almost passed out and zipped that side of my chaps up. Before I knew it he picked me up turned me around the other direction and grabbed my right thigh and zipped it up. Thinking it was over I had forgot I had snaps at the lower calves that needed shut, so he grabbed my foot and placed it on his knee and snapped the bottoms of my chaps saying how does that feel.

Now I know you will find this hard to believe but I was speechless from the time I saw him so my conversation to his questions had been just head shakes up and down for yes and left to right for no. He had touched more parts on my body than my husband has ever done our whole marriage in public.

I looked for my so call 3-gal pals who had quickly disappeared when the giant grabbed me thinking they were going for help but they were huddled beside a distant tree watching with terror on their faces thinking glad it wasn't them. Then the best was happening, are you ready? About 15 ft away next to a tree stood a man holding his stomach bent over who I thought was sick but no it was my husband laughing so hard he was holding his stomach watching the whole thing go down.

After I paid for chaps and walked immediately up to my husband Do you know what I said. Or did ????
