Good bye April and Hello May. The riding season has begun and it is so good to be back on the bike and enjoying some very nice weather. We finished April with 9 bikes and two vehicles leaving our get together and joining the Dry Bones Biker Church for their bike Blessing. Thank you Pastor Dave Rose for Blessing everyone and their Bikes. It was a great day for all of us.

May is going to be a busy month as Becky, Myself, Kevin and LeAnn have a short trip to California Side Car to have our trailer's checked out so we are good to go for this riding season. Also May 14 - 16 we will be in Coldwater, Michigan for the Michiana Rally-In. The Indiana and Michigan Teams have put together an event we will all enjoy and they are looking for a lot of us to join in all the fun they have planned. The registration form is in the newsletter.

June 18 - 20 the Ohio District Team invites you to join them at the Champaign County Fairgrounds in Urbana, Ohio for the Buckeye Rally. These folks have been working hard for months to bring you rides, fun and entertainment for you to enjoy and also would love to see all of you join them for this fun event. If you are not registered, its not to late. The registration form is in the newsletter.

August 25- 29 Wayne and Cathi Hughes will be leading us to the Virginia District Rally where we will once again enjoy all that the Virginia District Team has put together for all of us. The registration form is in the newsletter.

Now for the Momma of them all!! September 3 - 5, Rendezvous #4, will be held at the Sharonville Convention Center in Sharonville, Ohio. The convention center is fantastic and the motels are just as good. The Hyatt is sold out, but there are still rooms available at the LIVINN and right across the street at the Delta. If you haven't registered now is exactly the time to get your Rendezvous registration and your Motel rooms booked. This is definitely an event you don't want to miss. Again, the registration form is in this newsletter.

Did you read the April On The Fly?? Did you notice on Page 7 that John DuBose from Florida Chapter FL2-0 won the Recruiting Rock Star Of The Year. Wow!! Three years of paid membership just for talking about EWMA and getting new folks to join. Congratulations John and keep on recruiting. Thank you to all who are recruiting as Eagle Wings gave away a total of 217 free months of memberships in 2025. Hats off to all that got EWMA new family members!

See you down the road, Ride Safe and Ride Forever

Lloyd and Becky

This is our Region!! Region F consists of these six districts (states). We want all of us to form a great big family!! But not just limited to Region F, there are 44 more states to have fun with!!

MAY IS.....

MOTORCYCLE AWARENESS MONTH

In the Name and by the Authority of the State of Ohio, Governor Mike DeWine and Lieutenant Governor Jim Tressel, sent a Motorcycle Awareness Month Proclamation to Fairborn Chapter F Eagle Wings Motorcycle Association from the State of Ohio.

It is important to recognize the need for awareness on the part of all drivers especially with regard to sharing the road with motorcycles. To honor the many contributions motorcyclists make to the communities in which they live and ride. It is especially important that the citizens of Ohio recognize the importance of motorcycle safety and hazards created by motorists who fail to watch for motorcycles on streets and highways of Ohio which are of prime concern to motorcyclists. Motorcycle riding is a popular form of recreation in Ohio and motorists need to share the road.

This was an honor presented to Chapter F Eagle Wings from not only the State of Ohio but having Deputy Mayor Rodney McCubbins personally present a Motorcycle Awareness Month Proclamation on behalf of the City of Fairborn.

We need to make sure everyone gets the word out that safety is of great concern to motorcyclists who contribute to many community charities and support motorcycle events. We ride for enjoyment and we all need to respect each other while sharing the road. Lives depend on it. Thank you Ohio Governor, Mike DeWine, Lieutenant Governor, Jim Tressel, and City of Fairborn Deputy Mayor, Rodney McCubbins for helping us to get the word out that all lives matter!!

Ride safe and watch out for motorcyclists. Thank you.

Kevin & LeAnn Griggs

Hello Chapter F!

Happy May! I hope everyone is getting ready for this year's activities with our Chapter and with EWMA as a whole. In April, LeAnn and I joined other Chapter F members in participating at fundraiser events for Chapters E2 and V2. We also attended the Spring Informational meeting at Der Dutchman in Bellville, which brought together a lively group. These events not only keep us informed about what's happening in Ohio EWMA, but also foster camaraderie and support our sister Chapters both socially and financially.

During the first week of May, we'll be heading to Lynchburg, Virginia to have our cargo trailer refreshed at CSC manufacturing. We're preparing for a busy riding season ahead. Don't forget some of the major highlights this summer: Michiana Rally-In, Buckeye Rally, Virginia Rally and the National Rendezvous is coming to Ohio for the first time ever!!

If you prefer shorter trips, consider joining one of the "Day Rides," such as the Trek Ride to the Merry Go Round Museum and Tony Packo's or several dessert and dinner rides to various locations. All these events are listed on your Ride Schedule Calendar. You will also receive ride alert emails with information and any changes.

Best regards,

Kevin & LeAnn Griggs Safety Ride Coordinator

Well I am back and remember how I suspected Fonz was up to something well!

He works at an automotive plant and just so happens that Les, Jim and Robert work with him in his department. Apparently while parking his bike in the motorcycle parking area who does he run into to but, Les, Jim and Robert or Kawasaki, Yamaha and Yamaha. Now he has guys with work and bikes in common to talk with at the job. Apparently they too have spouses hard to get on the back of the bikes.

Now they have a common problem of which they decide to fix. How are they fixing? They decided since one lives in our town and the other 2 live in Kettering how about a social gathering with a cook out with the wives to meet and greet. We were told that his work buddies have wives and it would be nice to have get together taking turns at each ones house and of course bring the kids.

No mention that they too ride bikes, wonder why. Anyway we made friends , our kids made friends and the winter months were nice for all. I forgot about the Suzuki issue and nothing was mentioned until spring. Then it happened, the bikes were back.

The guys suggested we all get together and go on a dessert ride, again its food. Said Youngs Dairy Ice Cream and girls could play Putt Putt golf against the guys. Well that was a challenge we girls couldn't refuse. We played and of course we lost to the guys and they felt so bad that they offered us a special I'm sorry gift. It was a next weekend the guys were going to take us girls Shopping. We were so excited!

So we were up and dressed and ready to go shopping and THEN IT HAPPENED!

The bike was in the driveway with Les, Robert and Jim and their wives all on bikes too. Why do we need to shop on bikes? Guys said, nice day for a ride and we are taking you shopping, so a win win. Talk about guilt. We head out and we didn't think to ask where are we going shopping, kinda like the cracker barrel thing. We are thinking Mall, guys are thinking Flea Market.

We pulled into the Flea Market that just happened to feature Motorcycle gear and we knew we again were tricked but it gets worse. If you have never been to a motorcycle flea market it's an experience you will never forget.

Guys were excited saying its the best place at bargain prices to buy biker stuff.

The guys didn't notice the terror in our faces seeing what we were seeing wasn't the same as what they were seeing. Then it began. Now are you sitting down as I am now going to tell you from a spouse's view the experience of shopping at the biker flea market.
